

Serial No.: 10/603,918  
Examiner: Tanim M. Hossain

**REMARKS/ARGUMENTS**

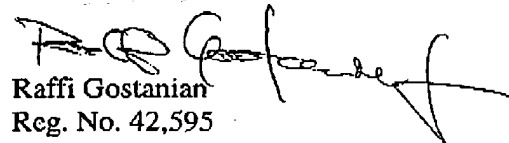

Applicant does not agree that claims 1-25 and claims 26-27 are drawn to separate inventions. The elements in claim 1, for example, are similar to the elements in claim 26. Further, this Restriction Requirement is being submitted after a first Office Action was already sent and subsequently responded to by the Applicant.

However, and purely in the interest of expediting the prosecution of the instant invention, Applicant has elected Invention I, Claims 1-25 to be examined.

Should the Examiner have any further comments or suggestions, it is respectfully requested that the Examiner contact the undersigned to expeditiously resolve any outstanding issues.

Respectfully submitted,

ALCATEL LUCENT
